

IEEE-NANO 2026
5-8 July 2026, Nanjing, China

IEEE Nanotechnology Youth Day

Sunday, 5 July, 2026

Time	Activity		Venue
09:00-09:45	Tutorial #1	Title: Artificial Intelligence in Nanomaterials and Nanobio Interface Research: A Tutorial on Prediction, Discovery, and Design Speaker: Hengjie Yu, Westlake University	VIP201 洁行厅
09:45-10:30	Tutorial #2	Title: Structural Engineering and Stability Mechanisms of Perovskite Photovoltaic Devices Speaker: Guixiang Li, Southeast University	
10:30-11:00	Coffee Break		
11:00-11:45	Tutorial #3	Title: Approximate and Stochastic Ising Machines Speaker: Tingting Zhang, Nanjing University of Aeronautics and Astronautics	
12:00-13:30	Lunch Break		
13:30-14:15	Mentoring Session-1	Conversations with Leaders Prof. Wen Jung Li	
14:15-15:00	Mentoring Session-2	Career Workshop: Building Your International Research Profile Prof. James E. Morris	
15:00-15:30	Coffee Break		
15:30-16:15	Round Table Discussion	Prof. Wen Jung Li, Prof. James E. Morris and Prof. Hengxing Ji	
16:15-17:30	YP Social Event	Young Professionals Networking Reception Matteo Bruno Lodi	Zhongshan Executive Lounge 钟山行政酒廊 (9F)
